

THE QUEENS HEAD INN

KETTLESING ~ HARROGATE

Due to the outstanding success of the **EAT OUT TO HELP OUT** scheme, we have decided to extend this throughout September 2020. (Whether backed by the Government or not).

We will be doing this offer on food only. (If not backed by the government)
We recommend booking although this is not always necessary. However if the Government don't carry on the scheme then we expect to be really busy so best to book in now to avoid disappointment.
